Keep skills and knowledge up to date with this course for fire wardens. We recommend attending refresher training every 2 years to maintain competency within the fire warden role.

Legislation

Enables organisations to satisfy general requirements of The Health and Safety At Work Act 1974 and the Regulatory Reform (Fire Safety) Order 2005.

Course syllabus

Understanding fire
Theory of fire extinction
Fire extinguishers and demonstration
Practical—use of fire extinguishers (with fire simulator)
Relevant legislation
Fire safety signs, meanings and colours
Fire routines/evacuation procedures

Assessment

On successful completion of the course delegates will receive an IFE accredited certificate.

Dates and cost
